July 28, 2016

To whom it May Concern.,

The NapUp product has been tested at the Calspan test laboratory on multiple occasions between 2014 thru 2016. During those testing days the NapUp device was tested to the following standards:

FMVSS 213
CMVSS 213
ECE R44
NPRM/ U.S. Side Impact 49 CFR Part 571

In all the modes of testing, the product performed within the test standards requirements for the respective Child restraint system standard.

A handwritten signature in blue ink, appearing to read "Michael Kulig".
